Ulysses , *Mash* Richard Hooker,2009-03-17 Before the movie this is the novel that gave life to Hawkeye Pierce Trapper John Hot Lips Houlihan Frank Burns Radar O Reilly and the rest of the gang that made the 4077th MASH like no other place in Korea or on earth The doctors who worked in the Mobile Army Surgical Hospitals MASH during the Korean War were well trained but like most soldiers sent to fight a war too young for the job In the words of the author a few flipped their lids but most of them just raised hell in a variety of ways and degrees For fans of the movie and the series alike here is the original version of that perfectly corrupt football game those martini laced mornings and sexual escapades and that unforgettable foray into assisted if incompleting suicide all as funny and poignant now as they were before they became a part of America's culture and heart

The Library at Night Alberto Manguel,2011-07-27 In the tradition of *A History of Reading* this book is an account of Manguel's astonishment at the variety beauty and persistence of our efforts to shape the world and our lives most notably through something almost as old as reading itself libraries *The Library at Night* begins with the design and construction of Alberto Manguel's own library at his house in western France a process that raises puzzling questions about his past and his reading habits as well as broader ones about the nature of categories catalogues architecture and identity Thematically organized and beautifully illustrated this book considers libraries as treasure troves and architectural spaces it looks on them as autobiographies of their owners and as statements of national identity It examines small personal libraries and libraries that started as philanthropic ventures and analyzes the unending promise and defects of virtual ones It compares different methods of categorization and what they imply and libraries that have built up by chance as opposed to by conscious direction In part this is because this is about the library at night not during the day this book takes in what happens after the lights go out when the world is sleeping when books become the rightful owners of the library and the reader is the interloper Then all daytime order is upended one book calls to another across the shelves and new alliances are created across time and space And so as well as the best design for a reading room and the makeup of Robinson Crusoe's library this book dwells on more nocturnal subjects fictional libraries like those carried by Count Dracula and Frankenstein's monster shadow libraries of lost and censored books imaginary libraries of books not yet written *The Library at Night* is a fascinating voyage through the mind of one of our most beloved men of letters It is an invitation into his memory and vast knowledge of books and civilizations and throughout though mostly implicitly it is also a passionate defence of literacy of the unique pleasures of reading of the importance of the book As much as anything else *The Library at Night* reminds us of what a library stands for the possibility of illumination of a better path for our society and for us as individuals That hope too at the close is replaced by something that fits this personal and eclectic book even better something more fragile and evanescent than illumination though just as important

Grizzlies, 1967: A Graphic Novel (I Survived Graphic Novel #5) Lauren Tarshis,2022-05-03 A gripping graphic novel adaptation of Lauren Tarshis s bestselling I Survived the Attack of The Grizzlies 1967 with text adapted by Georgia Ball No grizzly has ever killed a human in Glacier National Park before until tonight Eleven year old Melody Vega and her family come to Glacier every year Mel loves it here the beautiful landscapes and wildlife make it easy to forget her real world troubles But this year is different With Mom gone every moment in the park is a reminder of the past Then Mel comes face to face with a mighty grizzly She knows basic bear safety Don t turn your back Don t make any sudden movements And most

importantly Don't run That last one is the hardest for Mel she's been running from her problems all her life If she wants to survive tonight she'll have to find the courage to face her fear Based on the real life grizzly attacks of 1967 this bold graphic novel tells the story of one of the most tragic seasons in the history of America's national parks a summer of terror that forever changed ideas about how grizzlies and humans can exist together in the wild Lauren Tarshis's New York Times bestselling *I Survived* series comes to vivid life in graphic novel editions Perfect for readers who prefer the graphic novel format or for existing fans of the *I Survived* chapter book series these graphic novels combine historical facts with high action storytelling that's sure to keep any reader turning the pages Includes a nonfiction section at the back with facts and photos about the real life event [The Cambridge Introduction to Satire](#) Jonathan Greenberg, 2019 Provides a comprehensive overview for both beginning and advanced students of satiric forms from ancient poetry to contemporary digital media *Landslide* Michael Wolff, 2021-07-13 An instant New York Times bestseller Critics agree Michael Wolff's *Landslide* is THE book on Trump *Landslide* is the one to leap upon Smart vivid and intrepid The New York Times I inhaled *Landslide* gobbled it up Slate Wow Just wow Evening Standard Cruel unforgiving muckraking scandalous I couldn't stop reading it The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime the careening last stage of Donald J Trump's reelection campaign the president's audacious election challenge the harrowing mayhem of January 6 the buffoonery of the second impeachment trial But what was really going on in the inner sanctum of the White House during these calamitous events What did the president and his dwindling cadre of loyalists actually believe And what were they planning Michael Wolff pulled back the curtain on the Trump presidency with his 1 bestselling blockbuster *Fire and Fury* Now in *Landslide* he closes the door on the presidency with a final astonishingly candid account Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended on Washington Almost four years later Wolff finds the Oval Office even more chaotic and bizarre a kind of Star Wars bar scene At all times of the day Trump behind the Resolute desk is surrounded by schemers and unqualified sycophants who spoon feed him the alternative facts he hungers to hear about COVID 19 Black Lives Matter protests and most of all his chance of winning reelection Once again Wolff has gotten top level access and takes us front row as Trump's circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy as he entertains the idea of martial law and balks at calling off the insurrectionist mob that threatens the institution of democracy itself As the Trump presidency's hold over the country spiraled out of control an untold and human account of desperation duplicity and delusion was unfolding within the West Wing *Landslide* is that story as only Michael Wolff can tell it [The Gif](#) Jane Lemann, 2007
