Running In Stilettos With A Double Bab Jan Mulcahy:

Ulysses , *Mash* Richard Hooker,2009-03-17 Before the movie this is the novel that gave life to Hawkeye Pierce Trapper John Hot Lips Houlihan Frank Burns Radar O Reilly and the rest of the gang that made the 4077th MASH like no other place in Korea or on earth The doctors who worked in the Mobile Army Surgical Hospitals MASH during the Korean War were well trained but like most soldiers sent to fight a war too young for the job In the words of the author a few flipped their lids but most of them just raised hell in a variety of ways and degrees For fans of the movie and the series alike here is the original version of that perfectly corrupt football game those martini laced mornings and sexual escapades and that unforgettable foray into assisted if incompleting suicide all as funny and poignant now as they were before they became a part of America's culture and heart

The Library at Night Alberto Manguel,2011-07-27 In the tradition of *A History of Reading* this book is an account of Manguel's astonishment at the variety beauty and persistence of our efforts to shape the world and our lives most notably through something almost as old as reading itself libraries *The Library at Night* begins with the design and construction of Alberto Manguel's own library at his house in western France a process that raises puzzling questions about his past and his reading habits as well as broader ones about the nature of categories catalogues architecture and identity Thematically organized and beautifully illustrated this book considers libraries as treasure troves and architectural spaces it looks on them as autobiographies of their owners and as statements of national identity It examines small personal libraries and libraries that started as philanthropic ventures and analyzes the unending promise and defects of virtual ones It compares different methods of categorization and what they imply and libraries that have built up by chance as opposed to by conscious direction In part this is because this is about the library at night not during the day this book takes in what happens after the lights go out when the world is sleeping when books become the rightful owners of the library and the reader is the interloper Then all daytime order is upended one book calls to another across the shelves and new alliances are created across time and space And so as well as the best design for a reading room and the makeup of Robinson Crusoe's library this book dwells on more nocturnal subjects fictional libraries like those carried by Count Dracula and Frankenstein's monster shadow libraries of lost and censored books imaginary libraries of books not yet written *The Library at Night* is a fascinating voyage through the mind of one of our most beloved men of letters It is an invitation into his memory and vast knowledge of books and civilizations and throughout though mostly implicitly it is also a passionate defence of literacy of the unique pleasures of reading of the importance of the book As much as anything else *The Library at Night* reminds us of what a library stands for the possibility of illumination of a better path for our society and for us as individuals That hope too at the close is replaced by something that fits this personal and eclectic book even better something more fragile and evanescent than illumination though just as important

The Business Romantic Tim Leberecht,2015-01-06 In this smart playful and provocative book one of today s most original business thinkers argues that we underestimate the importance of romance in our lives and that we can find it in and through business by designing products services and experiences that connect us with something greater than ourselves Against the backdrop of eroding trust in capitalism pervasive technology big data and the desire to quantify all of our behaviors The Business Romantic makes a compelling case that we must meld the pursuit of success and achievement with romance if we want to create an economy that serves our entire selves A rising star in data analytics who is in love with the intrinsic beauty of spreadsheets the

mastermind behind a brand built on absence an Argentinian couple who revolutionize shoelaces the founder of a foodie oriented start up that creates intimate conversation spaces a performance artist who offers fake corporate seminars for real professionals these are some of the innovators readers will meet in this witty deeply personal and rousing ramble through the world of Business Romanticism The Business Romantic not only provides surprising insights into the emotional and social aspects of business but also presents Rules of Enchantment that will help both individuals and organizations construct more meaningful experiences for themselves and others The Business Romantic offers a radically different view of the good life and outlines how to better meet one s own desires as well as those of customers employees and society It encourages readers to expect more from companies to give more of themselves and to fall back in love with their work and their lives A Fabulous Creation David Hepworth,2019-03-21 _____ Hepworth s knowledge and understanding of rock history is prodigious a hugely entertaining study of the LP s golden age The Times _____ The era of the LP began in 1967 with Sgt Pepper The Beatles didn t just collect together a bunch of songs they Made An Album Henceforth everybody else wanted to Make An Album The end came only fifteen years later coinciding with the release of Michael Jackson s Thriller By then the Walkman had taken music out of the home and into the streets and the record business had begun trying to reverse engineer the creative process in order to make big money Nobody would play music or listen to it in quite the same way ever again It was a short but transformative time Musicians became artists and we the people patrons of the arts The LP itself had been a mark of sophistication a measure of wealth an instrument of education a poster saying things you dare not say yourself a means of attracting the opposite sex and for many the single most desirable object in their lives This is the story of that time it takes us from recording studios where musicians were doing things that had never been done before to the sparsely furnished apartments where their efforts would be received like visitations from a higher power This is the story of how LPs saved our lives **Precious Metal** Albert Mudrian,2009-07-21 Decibel magazine is regarded as the best extreme music magazine around Precious Metal gathers pieces from Decibel s most popular feature the monthly Hall of Fame which documents the making of landmark metal albums via candid hilarious and fascinating interviews with every participating band member Decibel s editor in chief Albert Mudrian has selected and expanded the best of these features creating a definitive collection of stories behind the greatest extreme metal albums of all time **I Survived the Attack of the Grizzlies, 1967: A Graphic Novel (I Survived Graphic Novel #5)** Lauren Tarshis,2022-05-03 A gripping graphic novel adaptation of Lauren Tarshis s bestselling I Survived the Attack of The Grizzlies 1967 with text adapted by Georgia Ball No grizzly has ever killed a human in Glacier National Park before until tonight Eleven year old Melody Vega and her family come to Glacier every year Mel loves it here the beautiful landscapes and wildlife make it easy to forget her real world troubles But this year is different With Mom gone every moment in the park is a reminder of the past Then Mel comes face to face with a mighty grizzly She knows basic bear safety Don t turn your back Don t make any sudden movements And most

importantly Don't run That last one is the hardest for Mel she's been running from her problems all her life If she wants to survive tonight she'll have to find the courage to face her fear Based on the real life grizzly attacks of 1967 this bold graphic novel tells the story of one of the most tragic seasons in the history of America's national parks a summer of terror that forever changed ideas about how grizzlies and humans can exist together in the wild Lauren Tarshis's New York Times bestselling I Survived series comes to vivid life in graphic novel editions Perfect for readers who prefer the graphic novel format or for existing fans of the I Survived chapter book series these graphic novels combine historical facts with high action storytelling that's sure to keep any reader turning the pages Includes a nonfiction section at the back with facts and photos about the real life event

Landslide Michael Wolff,2021-07-13 An instant New York Times bestseller Critics agree Michael Wolff's *Landslide* is THE book on Trump *Landslide* is the one to leap upon Smart vivid and intrepid The New York Times I inhaled *Landslide* gobbled it up Slate Wow Just wow Evening Standard Cruel unforgiving muckraking scandalous I couldn't stop reading it The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime the careening last stage of Donald J Trump's reelection campaign the president's audacious election challenge the harrowing mayhem of January 6 the buffoonery of the second impeachment trial But what was really going on in the inner sanctum of the White House during these calamitous events What did the president and his dwindling cadre of loyalists actually believe And what were they planning Michael Wolff pulled back the curtain on the Trump presidency with his 1 bestselling blockbuster *Fire and Fury* Now in *Landslide* he closes the door on the presidency with a final astonishingly candid account Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended on Washington Almost four years later Wolff finds the Oval Office even more chaotic and bizarre a kind of Star Wars bar scene At all times of the day Trump behind the Resolute desk is surrounded by schemers and unqualified sycophants who spoon feed him the alternative facts he hungers to hear about COVID 19 Black Lives Matter protests and most of all his chance of winning reelection Once again Wolff has gotten top level access and takes us front row as Trump's circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy as he entertains the idea of martial law and balks at calling off the insurrectionist mob that threatens the institution of democracy itself As the Trump presidency's hold over the country spiraled out of control an untold and human account of desperation duplicity and delusion was unfolding within the West Wing *Landslide* is that story as only Michael Wolff can tell it

Cultivating Music in America Ralph P. Locke,Cyrilla Barr,1997-01-01 The Victorian cup on my shelf a present from my mother reads Love the Giver Is it because the very word patronage implies the authority of the father that we have treated American women patrons and activists so unlovingly in the writing of our own history This pioneering collection of superb

scholarship redresses that imbalance At the same time it brilliantly documents the interrelationship between various aspects of gender and the creation of our own culture Judith Tick author of Ruth Crawford Seeger A Composer s Search for American Music Together with the fine grained and energetic research I like the spirit of this book which is ambitious bold and generous minded Cultivating Music in America corrects long standing prejudices omissions and misunderstandings about the role of women in setting up the structures of America s musical life and even more far reaching it sheds light on the character of American musical life itself To read this book is to be brought to a fresh understanding of what is at stake when we discuss notions such as elitism democratic taste and the political and economic implications of art Richard Crawford author of The American Musical Landscape We all know we are indebted to royal patronage for the music of Mozart But who launched American talent The answer is women this book teaches us Music lovers will be grateful for these ten essays sound in scholarship that make a strong case for the women philanthropists who ought to join Carnegie and Rockefeller as household words as sponsors of music Karen J Blair author of The Torchbearers Women and Their Amateur Arts Associations in America Gentlemen's Fashions ,1912 **The Cartoon Diaries** David L O'Nan,2019-12-30 The Cartoon Diaries is a collection of poetry revolved around feeling out of place what feels surreal feeling misplaced in this current world the anxieties the everyday feels like nonsense the Armageddons you imagine the creativity you imagine doesn t quite match the current societal ideals This is the poetry that represents this time for me **Juran's Quality Handbook** J.
